

CWS – European Master in Continental Water Sustainability

<p>Project partners</p> <p>Université de Strasbourg, Karlsruher Institut für Technologie, Universität Freiburg, Université de Haute-Alsace, ENGEES (École nationale du génie de l'eau et de l'environnement de Strasbourg)</p>
<p>Project duration / Awarded funding</p> <p>01/09/2022 – 28/02/2025 / 54,000€</p>
<p>Short description of the project</p> <p>With the new Master Course "CWS – European Master in Continental Water Sustainability", the four Eucor universities of Strasbourg, Haute-Alsace, KIT and Freiburg aim to train a new generation of experts with interdisciplinary competences in the field of continental water management.</p>
<p>Concrete implementation of the project (What was the funding used for?)</p> <ul style="list-style-type: none"> • We hired a coordinator to manage the cooperation • who participated to 2 workshops (March 2023 / Oct.2023) <p>We bought:</p> <ul style="list-style-type: none"> • a project management software (2 years) • office supplies for workshops <p>We organised:</p> <ul style="list-style-type: none"> • a transdisciplinary and international workshop (16.05.23) • 3 Steering Committees <i>in person</i> in Strasbourg : Oct. 23 / Apr.24 / Jan 25 • 2 meetings at KIT (Jan.2024 / Apr.2024) • 2 working lunches in Strasbourg
<p>Project result(s) and continuation of collaboration</p> <p>KIT, the University of Strasbourg with its new Chair for Water and Sustainability, and ENGEES will jointly launch the CWS Master's program in fall 2026, awarding a double degree.</p> <p>As of now (July 25), the curriculum has been finalized and the development of bilateral agreements is underway.</p> <p>A Eucor Fall School has already allowed for successful testing of key teaching approaches and topics.</p> <p>While Freiburg, Basel, and UHA are not yet involved, future collaboration with them would be most welcome.</p>
