3. Speak to your home university's academic coordinator for your study program/Eucor representative at your home English Department before enrolling in any classes at Basel's English Department to find out whether the class you have chosen can be recognized by your home university as part of your degree program.

5. To ensure a spot in the selected course, please get in touch with the respective lecturer as soon as possible, the earlier the better. Some classes have limited availability.
6. Fill in a Learning Agreement Eucor and get it signed by your home department's coordinator/Eucor representative and by Simone Stumpf ([studienberatung-dslw@unibas.ch](mailto:studienberatung-dslw@unibas.ch))

corresponding semester from the relevant partner university. Students have to fill in the full two-part number (e.g. 99999-01) in the registration form

8. The IT-Services send registered Eucor students information on activating the university email account by conventional mail. 9. Registration must happen no more than four weeks after the lecture period begins.

  - Academic work is graded with pass/fail or a numeric grade. The grading scale ranges from 6 to 1; 4 is the minimum pass mark. Grades are either whole numbers or half numbers. Grade averages are rounded to one decimal place. Half tenths are rounded up.
